1. Go to www.studyisland.com

2. Log – In:

Username _____

Password _____

3. Click on the Assignment due that week.

4. You must complete at least **10** questions in Test Mode.

GRADING: Each session will record a score out of 10+ questions. Your highest session score will count for a grade out of 10 points. Your overall score does not count. The goal is to improve your session scores with more practice. Please take time to read through each lesson and to view the explanation if you get a question incorrect, as this will help you improve in the future.

Assignment #	Topic	Due Date	Completed
1	Comparing and Ordering Numbers Measures of Dispersion and Central Tendency Keystone Algebra I	9/21	
2	GCF & LCM of Monomials Polynomial Expressions Algebra 1 Keystone	9/28	
3	Simplify Square Roots Algebra 1 Keystone Points lines and Planes 6 th grade	10/5	
4	Measuring Angles 9 th /10 th Grade Best-Fit LinesAlgebra 1 Keystone	10/12	
5	Parallel, Perp Skew 7 th grade Relations and Functions Algebra 1 Keystone	10/19	
6	Angles and Lines 8 th Properties of angles: Keystone Geometry	10/26	
7	Angles in Shapes 6 th grade Ratio and Proportion 7 th grade	11/9	
8	Congruent Triangles Keystone Geometry Similar Figures Keystone Geometry	11/30	
9	Similar Polygons Keystone Geometry Similar and Congruent Figures 9 th /10 th grade	12/14	

10	Square roots 9 th /10 th grade Pythagorean Theorem Keystone Geometry	1/11	
11	Regular Polygons Keystone Geometry Interior angles 8 th grade	2/1	
12	Congruent Polygons Keystone Geometry Similar Triangles Keystone Geometry Congruence Common Core	2/15	
13	Triangles and Quads 9 th /10 th grade Trig ratios Keystone Geometry Right triangle trig Keystone Geometry	3/1	
14	Circles 9 th /10 th Circles #2 Common Core Perimeter , Area, Circumference Keystone	3/22	
15	Area and Perimeter 7 th grade Probability 9 th /10 th grade Geometric Probability 9/10 th grade	4/5	
16	Circles, Spheres and Cylinders Keystone Pyramids and Prisms Keystone	4/19	
17	Perimeter, Area, Surface area 9 th /10 th Surface Area and Volume Keystone	5/10	
18	Distance and Midpoint 9 th /10 th Distance and Midpoint #2 Keystone	5/24	
19	Parallel, Perp and slope Keystone Lines, Parallel, Perp Common Core Coordinate Geometry Common Core	5/31
